This is an opportunity for Housing Providers and Residents to work together to help feed those in need by generously donating canned goods, non-perishable items and packaged foods.

RESIDENTS, YOU CAN:

- Make an on-line donation at **www.springhopefooddrive.ca**;
- **Bring food** down to your resident manager or site office in advance of the food drive;
- **Donate** when the building staff canvass door to door through your building;
- **Leave your donations in a bag** outside your door on the evening of **April 19th, 2017** if you're not going to be home.

If you'd like to volunteer to collect donations in your building on the evening of the food drive, please let your resident manager know. This is a great opportunity for students to get much needed volunteer hours!

All donations benefit your local community food bank
